

HELPING OUR KIDS WHEN IT MATTERS MOST

WHY MIDDLE SCHOOL?

Because Later is Too Late

The Team Prime Time After School Program focuses on middle school kids because they are statistically the most at risk in terms of dropping out of school and committing, or becoming victims of, juvenile crime.

- Dropouts can be identified as early as the 6th grade
- The largest increase in number of dropouts occurs between 8th and 9th grade
- Felony arrests in California increase from elementary to middle school by 1,600%

WHY TEAM PRIME TIME?

Because it Works

- TPT students are over 50% more likely to graduate high school on time than at risk youth who do not attend TPT
- TPT students improved more on the California Standardized Test (CST) than students from other comparable programs
- TPT outreach increased 75-fold in nine years = more kids off the streets

DOLLARS AND SENSE

- Annual cost per child in County Juvenile System: \$125,000
- ANNUAL COST TO ENROLL A CHILD IN TEAM PRIME TIME: \$500

THE TRIAL OF THE CENTURY

Loyola Law School Partners with TPT to Implement Mock Trial Program

It's Paul Pancake vs. Don Dunkezee in the aftermath of the Devastation at the Den. Palms Middle School students are representing Plaintiff, Paul Pancake, an honest, hardworking fan who just happened to be at the game. Emerson Middle School, mean-

while, has agreed to defend Don Dunkezee, star of the Bulldogs, who feels he has been wrongly accused of battery.

One thing is for sure...the program is a huge success. Teams of Loyola Law students have spent the last two months visiting the Emerson and Palms location, preparing the students for the big trial, which takes place at Loyola Law School on November 22.

Judge Patricia L. Collins (Ret.), a TPT Board Member had this to say about why she created the Prime Time Trials, "I wanted to raise the bar for these kids in terms of what they can achieve, to make them excited about career possibilities out there, and to show them that there are many sides to the legal system." Judge Collins will preside over the trial. Stay tuned for the verdict.

ART ACADEMY UPDATE – LET'S DANCE

Every year TPT strives to offer its students something new and exciting to explore in the world of the arts. This year, it's Dance. TPT Dance Instructor, Tyra Dennis, visits all of the TPT locations on a weekly basis to introduce various forms of dance in addition to preparing teams for upcoming competitions. Dance is especially important because it offers kids who do not participate in sports the opportunity to exercise... and be part of a team.

PLEASE VISIT THE ART GALLERY AT WWW.TEAMPRIMETIME.ORG.

THANK YOU FOR YOUR SUPPORT

This year, our goal for the Holiday Drive is to raise \$75,000 so we can provide 150 scholarships for deserving children on our wait list.
