# STEAM ACADEMY

Our goal again this year was to unite our sites through STEAM. We accomplished this by establishing a new monthly STEAM Team Challenge called “We Can Build That” and, of course continuing, the Mystery Art Box Challenge.

## All-Site Projects

Monthly projects that focused on a variety of art forms and techniques so that each site can benefit from the talents of our collective Art Team.

## Site-Based Projects

Each site created art based on the art instructor’s professional skills and the students eagerness to learn new techniques.

## STEAM Team Challenge

“We Can Build That” Monthly, students worked together to build a structure or building out of one material and one adhesive of their choice.

NEW IN  
2022!

## Mystery Art Box Challenge

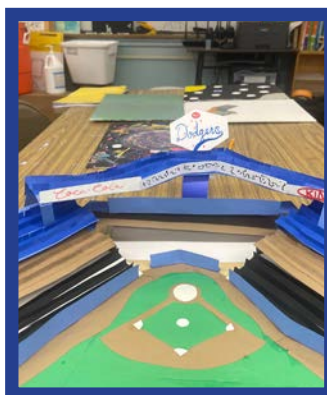

The MABC is the monthly, inter-site competition that inspired more students to participate in the Art Academy than ever before. Each school receives one box of identical, mystery art supplies, one theme and one hour to create a masterpiece. The students must incorporate all items from the box.

Mystery Art Items: Wreath, Paint, Birdhouse, Clay, Pipe  
Cleaners, Construction Paper, Pom Poms and Markers!

## **All-Site Projects**

### **“Neon Fiesta” By Julia, 8th Grade - The City School**

Sugar Skull Project  
Students learned about Day of the Dead and celebrated  
by creating their own sugar skull.

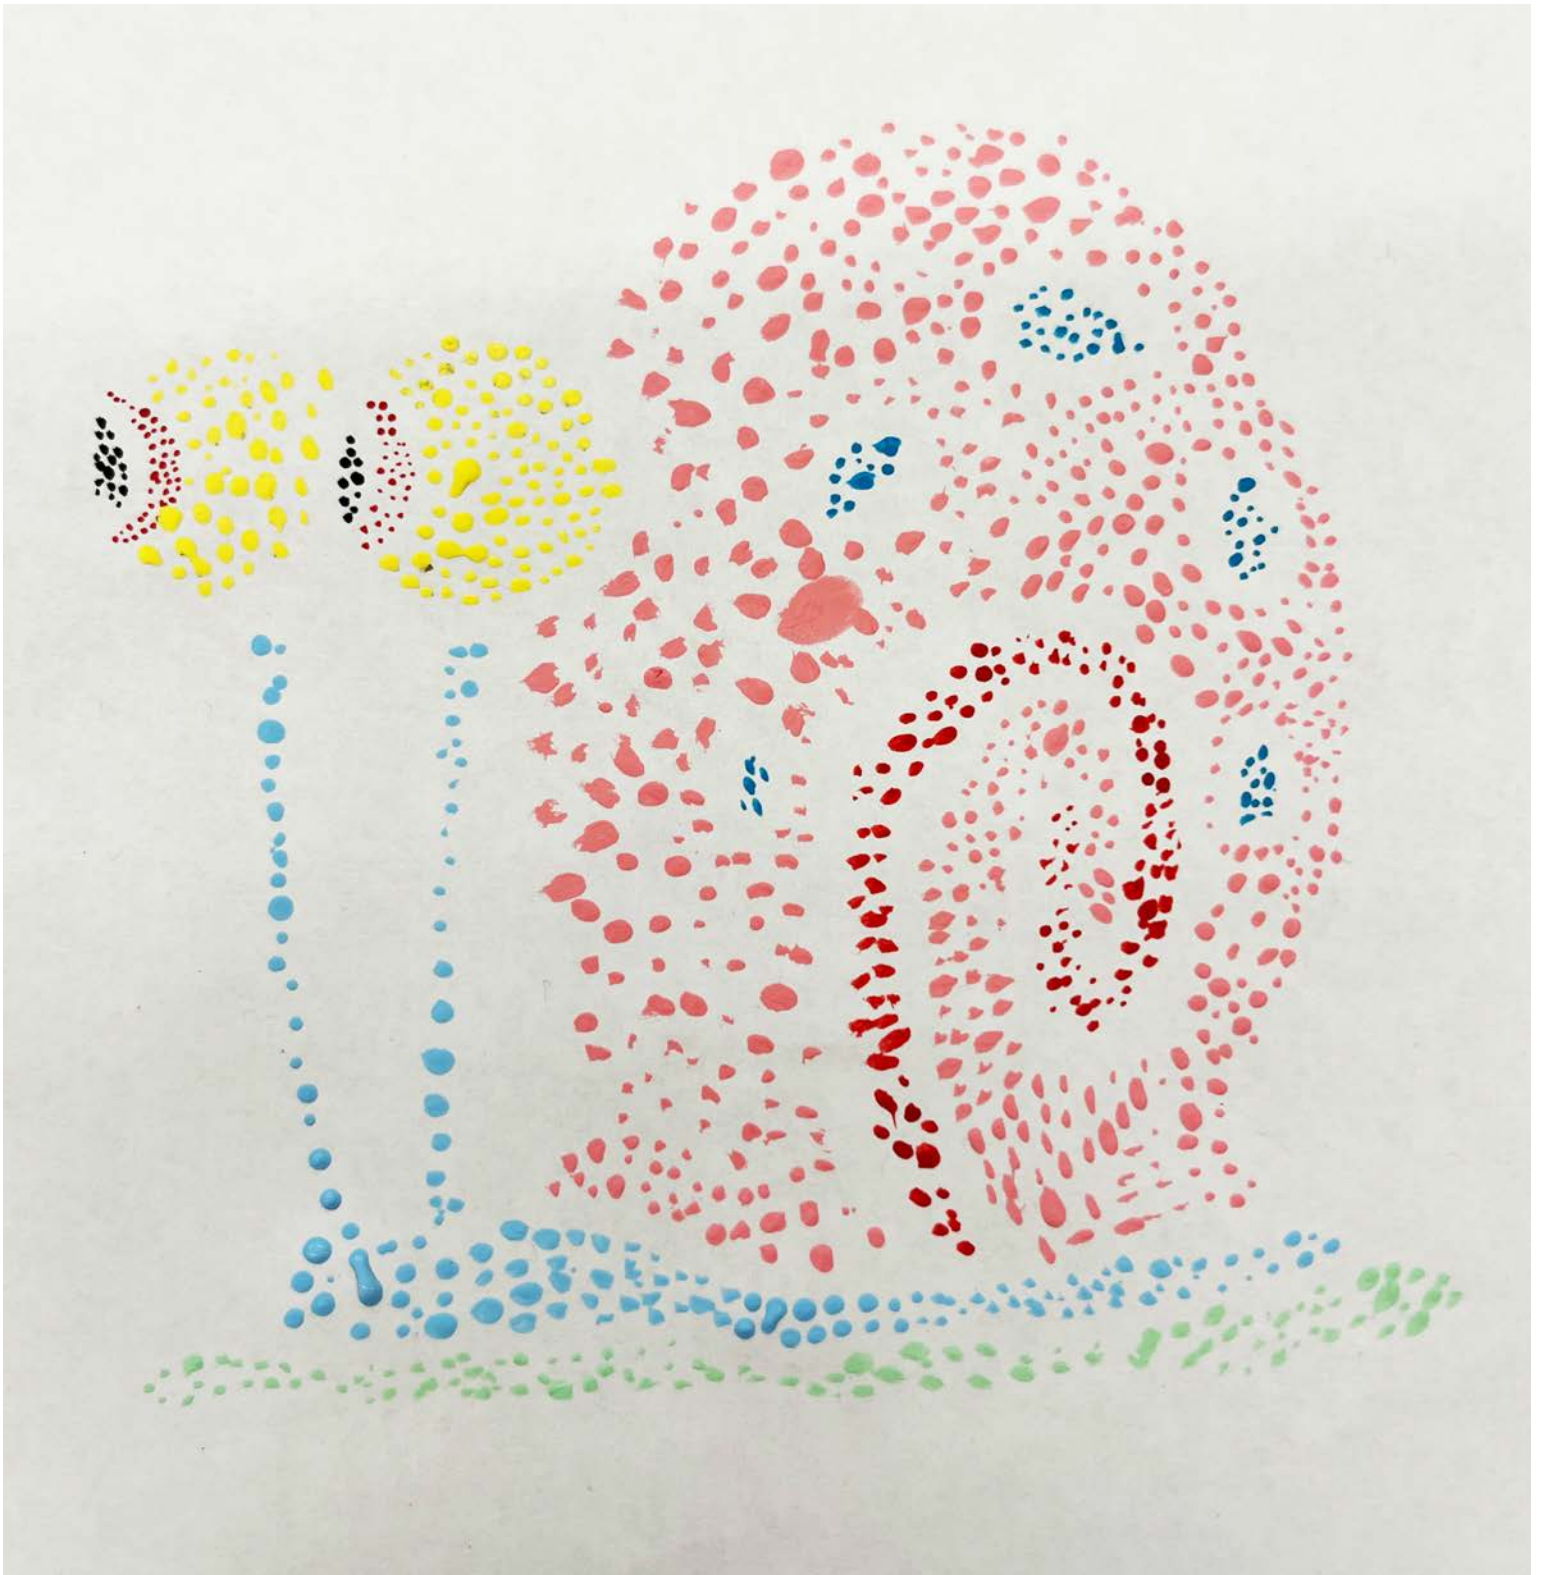

## All-Site Projects

### “Scary Tree” By Symphony - The City School

Popsicle Stick Sculpture

Students created sculptures using only popsicle sticks, glue and paint.

## All-Site Projects

### “Gary” By Anaya, 6th Grade - Marina Del Rey Middle School

#### Pointillism Project

Pointillism is a technique of painting in which small, distinct dots of color are applied in patterns to form an image.

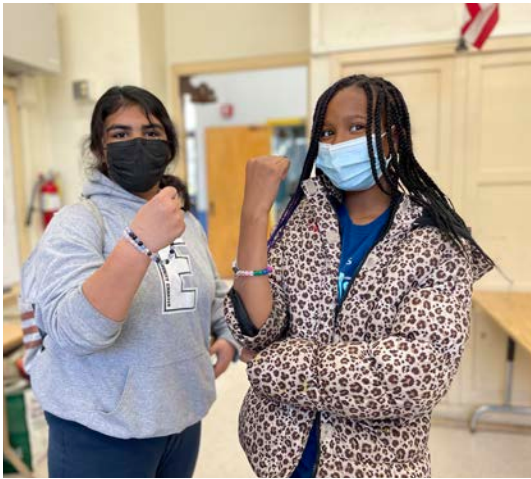

## Site-Based Projects

### Milk Art By Palms Middle School

Students created beautiful designs using milk, food coloring and soap.

# JEWELRY-MAKING

Students from all sites learned the art of jewelry-making and how to create personalized pieces with resin molds. They created jewelry collections that included charms, bracelets and rings. Students created customized jewelry for school dances and Mother's Day.

## PERLER BEADS!

It's not just a camp favorite! Students discovered working with the iron-fused beads was a relaxing activity. They enjoyed coming up with one of a kind designs and sharing them with friends and staff.

## All-Site Projects

### “Cactus” By Charlie, 8th Grade - Marina Del Rey Middle School

Piñata Project

Students designed their own unique piñata using the same basic materials.

## Site-Based Projects

### Door Decorating Webster Middle School

Students got into the holiday spirit and decorated the doors to keep the room festive and fun.

## All-Site Projects

By Natalie, 6th Grade  
The City School

Ornament Contest Project

Students decorated an ornament with any art medium.  
This reindeer was made with acrylic paint and air dry clay.
